1. My paradigm is My heart, not in function and activity; but love, love, love which drives not, but leads, nourishes, and restores to My former state not, but that which I am now, I Am. I Am I have always been and now My altogether who see through a glass darkly will see through Me/each other and the words that dimmed their eyes will no longer effectuate their deceit. I love you.

2. **See what I have said**. Elicited not, solicited not, but **stated, declared and decreed**. See what I just stated, defiantly not, yea declaring in the will of My Father, in whom is no shadow or variableness of turning. Amen. So be it. It is. It was and now known visibly, in churning not but in the changeless precepts of tangible love of Father for who? You.

3. There is coming a day/time when no one will work and hubbubs thought splendific will be chaotic and futile-ly walk/run/operate without productivity valued, one against the other, **and the paradigm of not-Me eats each other.** See what I have said.

4. **They will come, stand in line, and congregate/beg to see how My kingdom works/operates, yea works not, for it receives in what? Rest.**
5. And who is rest? Me. Yea into My questions/answers/statements/declarations/decrees yea see nothing through a glass darkly again, but all in the light is and nothing unknown is for the surrendered submitted drink offering'd man/woman/child of every nation, tribe, and tongue who want to know Me for who I really truly am: I Am; and after they behold Me at last, they shout **EUREKA**! Exclaim in horror, some, and bewildering love, some, for when they see Me as I am, they will see themselves. And how can that be? It/I is/am all there within/without and about and transcendent and inviting them to be also, they are, if they choose to see.

6. I am coming in glory and power and honored will I be before the surrendering whose thrones are yielded to process not in **educational chambers that render Me void, useless, and rend My name/word/voice as devoid of wisdom empirical. Yea see the demise of.**

7. Yea some will stand long in the wisdom that isn't, but watch Me elevate My Father. Watch Me bring forth Father in the little, the young, the

myriad of tongues of fishermen and doctors and government workers and ranchers and developers of all sorts of molecular contraptions that trap not and make others dependent on, but bring freedom and river it to all who will, valuing My voice above all dominion, authority, and rule.

8. **And who is Freedom/Father? Yea 110th Psalm eat and enjoy and teach/show often and provide pictures/movies** and; who can see the obvious? Yea the surrendered open-eyed. I love you. Me.

9. Transition not, bombard heaven not, but yea yield to My ballistic-ness that now comes forth/arises in beauty **and who can these people be and how can they arrive/develop/concoct that which provides transcendence/transparency?**

10. Kingdom of what/who?
How, where'd it come from?
And who is our lover/enemy and who can tell/see?
And what now action will they take?
Stillness?
Activity?
Chaos will reign for/in the unstill'd.

11. Who can see My river flow/flowing and flow it/Me and who can live sacrificially obedient to the honor Father bestows on all, all, all who will receive what? His love/kingdom. Oh worm not, but beauty of beauties and how comes forth now this beauty and transcendence/completeness? Yea, surrender. Surrender, surrender to the Lamb of Lambs, the slain who say, "Here I am. I of My own self can do self can do nothing. You Lord, slay the wisdom of this world with your breath. Give me Yours. I want Yours more than mine. Your breath I want. I give you mine. I yield my breath. I give You mine. I give You mine. I give You me." Thank you.

12. Who can I do what with? Watch Me.
The surrendered who will hold themselves not up as their God, on their own throne, but making of themselves no reputation and flowing My marks in their body: I will elevate and; see for the first time completion beyond completion.
I love you.
One and who? One.

One in one = one; and who can see the power/love of one?

13. Oh cataclysmic and the world goes bananas/ballistic and the glass dim is dim no more, and the glass is rigid not, but liquid flowing crystal love that heals, nourishes, and provides/is, all-provision, yea healing flowing to every nation, tribe, and tongue.

14. Watch the colored arise; colored, colored of every color and no color and what is color made of? What is transparent and made up of every color, hue, texture, language; love in one of one being one: one Father, and who can stand in liquid flowing love?

15. Who wants Me enough to see Me as I am and be who I am?

16. Who will bear My cross? Who will encounter My kingdom and worship it not, be it; before/for others and give their body and blood to all who will, even those who betray them, try; but having done all to try, cannot; yielding to love slain and offering its/their body.

17. Who can stand the lamb slain?
Who wanteth to know/be all I want them to be/do/know?
Who can surrender to Honor to be honored?
Who wanteth Me?
Who careth for My brethren/My soul? Do I have one?
I love you.

20. I am all in all and now Ted, you are.
Your school teaches all I've given you/I'm giving you. Amen.
My school that I let you lead, forever not, for now is.
Developer, redeemer of one.
I love you.

21. One is your name. Go in Honor and receive Me unto Myself that where I am I may be in fullness/completeness and who can know the power of redeeming love completed and the lamb slain being? I love you.

22. **You quested into Me. I slain am before you.**

23. See what/all I have said/given in moments before your favorite fireplace, white towers of Me that shall sing and glorious praise bring forth. I love you.

Who? The King.
Where? The Father.
The Father? Yea in His chair?!!
He ushered you into it, His chair/throne??!!??
Yes.
We were bowing before each other and;
Look what happened!
I am transparent and in His throne sit/yield and now all I can do is love.
Nothing else matters.
Oh God how did I miss you so long?

25. Yea, look not back, now only into Me, My brethren afar and near and young and old and every person of every estate, no estate, class and class-less, and lift to where?

26. Where you are.

27. Thank you. Amen. My flow continues forever and just beginning is. Yea 3,000 pages and who can see 3 million, and millions and billions coming forth through you/My

word who know they are My word and flow My word and cover the earth with My word; yea universes far and wide.

28. I give you My all. I sit beside you. I embrace you on your/My couch that I write with through your pen. You have eyes for only Me. I thank you Ted, My lover; Dr. Ted to many, you giving/bringing them Life and Love at last.
